INFORMATION DISCLOSURE STATEMENT

Asst. Commissioner for Patents  
Washington, D.C. 20231

Sir:

In accordance with Applicant's duty of candor under 37 CFR §1.56 and in compliance with 37 CFR §1.97 and §1.98, Applicant is not aware of any material prior art but, in an abundance of caution and candor, Applicant submits the present Information Disclosure Statement and the attached Form PTO-1449. Copies of the listed references are included herewith.

Please note that the items disclosed in the Greenlee Product catalog are the same as those identified on page 2 of the patent application, even though the product catalog numbers are different.

Also, please note the items disclosed as two (2) pictures of a Black & Decker mixing too., date unknown. While the date for this item is unknown, Applicant admits that this mixing tool is prior art to the above-identified invention and, therefore, requests consideration of this item.

This Information Disclosure Statement is being filed within three months of the filing date and before receipt of a first Office Action on the merits and constitutes a bona fide attempt to comply with 37 CFR §1.97 and §1.98.

In accordance with 37 CFR §1.97, the presentation of this information shall not be construed as a representation that a search has been made or that no other material information as defined in 37 CFR §1.56 exists, or as an admission that the information cited in this statement is, or is considered to be, material to patentability as defined in 37 CFR §1.56.

Respectfully submitted,

Dated: February 12, 2002
